I hate you
The things you do
I love you
The things you do

And we've got things so confused
I feel neglected and abused
Man, you've got me so confused I hate you
The things you do
I love you
The things you do

And we've got things so confused
I feel neglected and abused
Man, you've got me so confused
Cause I'm so caught up in you

So I I've got London on my mind
Did you cry another time?
I've got London on my mind
Did you look so satisfied?
Cause I'm so caught up in you

So I I've got London on my mind
Did you cry another time?
I've got London on my mind
Did you look so satisfied?

I hate you
The things you do
I love you
The things you do

And we've got things so confused
I feel neglected and abused
Man, you've got me so confused
Cause I'm so caught up in you

So I I've got London on my mind
Did you cry another time?
I've got London on my mind
Did you look so satisfied?
