Her name is wena
Hey have you seen her
Everyone says she's amazing
She gets so jealous
She sticks her head up
When i'm checking out the ladies

And she needs so much attention
She's always hanging around

My wena is lonely tonight
(my wena)
She cries when i turn out the light
(my wena)
She's only happy when i'm holding her tight
Oh, my wena
Take a look at my wena

My little wena
Queen of the scene
And all the girls wanna be around her
Her skin is so soft
I can't keep my hands off
Ever since the day i found her

And she'll make your heart beat faster
With the wink of an eye

My wena is lonely tonight
(my wena)
She cries when i turn out the light
(my wena)

She's only happy when i'm holding her tight
Oh, my wena
Have you seen my wena
Get a load of my

Sometimes she can't sleep at night
And i wake up and she's just a looking at me
And she snuggles so tight
When it's cold outside

She likes to show off
When we're walking the beach
And she's always up for going extra innings
And she's a sucker for a happy ending
And we may not always agree
But she's always here with me

My wena is lonely tonight
She cries when i turn out the light
She's only happy when i'm holding her tight
Oh, my wena
Take a look at my wena

My wena is lonely tonight
(my beautiful wena)
She cries when i turn out the light
(she wants to get her dream)
She's only happy when i'm holding her tight
Oh, my wena
My wonderful wena
