I'm happy again to be stuck here again  
And you're so happy again to be stuck here again  
Now we can rap about, the good old days  
Laugh at dumb jokes that you make, it's great to be  
here

And, I'm just elated to be someone you once hated  
And it's all so complicated  
Maybe this time you can come outside your little world  
Make out with another girl, if it were up to me

I'd like to buy you flowers everyday  
Make everyday a holiday  
Carry on and on and on about you  
And the things you do, the things you do

I'm so sorry again, you say you're leavin' me again  
'Cause you're not happy again and I'm left stuck here  
again  
Now you can scream about the little things  
Slap me twice across the face, man it would be great

If I could buy you flowers everyday  
Make everyday a holiday  
Carry on and on and on about you  
And the things you do, the things you do

If I could buy you flowers everyday  
Make everyday a holiday  
Carry on and on and on about you  
And the things you do

[Foreign content]

I just said, I'd buy you flowers everyday  
Make everyday a holiday  
Carry on and on and on about you  
And the things you do, the things you do  
Do, do, do, Ole
