There's a hundred and four days of summer vacation
Till school comes along just to end it
So the annual problem for our generation
Is finding a good way to spend it

Like maybe:

Building a rocket, or fighting a mummy
Or climbing up the Eiffel Tower
Discovering something that doesn't exist
Or giving a monkey a shower

Surfing tidal waves, creating nanobots
Or locating Frankenstein's brain
Finding a dodo bird, painting a continent
Or driving our sister insane

This could possibly be the best day ever
And the forecast says that
Tomorrow will likely be
A million and six times better

So make every minute count
Jump up, jump in, and seize the day
And let's make sure that in every single possible way
Today is gonna be a great day

Crossing the tundra, or building a roller coaster
Skiing down a mountain of beans
Devising a system for remembering everything
Or synchronizing submarines

Racing chariots, taming tiger sharks
Constructing a portal to Mars
Building a time machine, stretching a rubber tree
Or wailing away on guitars (oh, man)

This could possibly be the best day ever
And the forecast says that
Tomorrow will likely be

A million and six times better

So make every minute count
Jump up, jump in, and seize the day
And let's make sure that in every single possible way
Today is gonna be a great day

Hey! Hey! Hey! Hey! Hey! Hey! Hey! Hey!

Let's put our heads together
And design a master plan
We may miss dinner
But I know mom'll understand

We've got our mission and suppliers,
Yogurt, gumballs, and desire,
And a pocket full of rubber bands,
The manual on handstands.

A unicycle, compass,
And a camera that will focus,
And a canteen full of soda,
Grab a beach towel, here we go!

This is Ferb-tastic!

This could possibly be the best day ever
And the forecast says that
Tomorrow will likely be
A million and six times better

So make every minute count
Jump up, jump in, and seize the day
And let's make sure that in every single possible way--
Seriously, this is gonna be great

This could possibly be the best day ever
Today is gonna be a great day
This could possibly be the best day ever
Today is gonna be a great day
