Rock!

She works at Hot Topic, his heart microscopic
His bank account's zero, what comes next?
He listens to emo but Fat Mike's his hero
His bank account's zero, what comes next?
Same song, different chorus

It's stupid, contagious to be broke and famous
Can someone please save us from Punk Rock 101?
My Dickies, your sweatpants, my spiked hair, your new
Vans
Let's throw up our rock hands for Punk Rock 101

She bought him a skateboard, a rail slide, his knee tore
He traded it for drums at the local pawn shop
She left him for staring at girls and not caring
When she cried 'cause she thought Bon Jovi broke up
Same song, second chorus

It's stupid, contagious to be broke and famous
Can someone please save us from Punk Rock 101?
My Dickies, your sweatpants, my spiked hair, your new
Vans
Let's throw up our rock hands for Punk Rock 101

Don't forget the delay!
On the very last word!

Seven years later he works as a waiter
She married a trucker and he's never there
The story never changes, just the names and faces
Like Tommy and Gina they're livin' on a prayer

Did you just say that?

I said it's stupid, contagious to be broke and famous
Can someone please save us from Punk Rock 101?
My Dickies, your sweatpants, my spiked hair, your new
Vans
Let's throw up our rock hands for Punk Rock 101

It's stupid, contagious to be broke and famous
Can someone please save us from Punk Rock 101?
My Dickies, your sweatpants, my spiked hair, your new
Vans
Let's throw up our rock hands for Punk Rock 101

It's stupid, contagious to be broke and famous
Can someone please save us from Punk Rock 101?
It's stupid, contagious to be broke and famous
