Na na na na [x8]

Here's a story about a man and a mountain  
He climbed it because it was there  
And here's a song about the moon and a rocket-ship  
Set your mind to it you can go anywhere

Don't tell me no  
Just stand back and watch me shine

I'm going straight to the top  
I'm never gonna stop  
Over under I'll find some way  
Straight to the top  
I'm never gonna stop  
Everybody hold tight  
Everything will be alright  
Brace yourself for the ride  
Ride of a lifetime  
Ride of a lifetime

Here's a message I'm so glad that I was given  
When you fall you gotta jump back on  
I'm a fighter, I'm a winner, I'm a macdaddy  
My cup's not empty it's just not so full

Don't tell me no  
Just stand back and watch me shine

I'm going straight to the top  
I'm never gonna stop  
Over under I'll find some way  
Straight to the top  
I'm never gonna stop  
Everybody hold tight  
Everything will be alright  
Brace yourself for the ride  
Ride of a lifetime  
Ride of a lifetime

Hold your hands up high  
Wave your arms from side to side

Throw your fists in the air  
Wave 'em like you just don't care  
Stand up, stand up  
Everybody stand up  
Turn it on turn it on  
Never gonna get back down

I'm going straight to the top  
I'm never gonna stop  
Over under I'll find some way  
Straight to the top  
I'm never gonna stop  
Everybody hold tight

I'm going straight to the top  
I'm never gonna stop  
Over under I'll find some way  
Straight to the top  
I'm never gonna stop  
Everybody hold tight  
Everything will be alright  
Brace yourself for the ride  
Brace yourself for the ride  
Ride of a lifetime  
Ride of a lifetime  
Ride of a lifetime  
Ride of a lifetime  
Ride of a lifetime
