Here she comes again
With another boyfriend
Introduces me
And says, "This is the sweetest
Guy I've ever known?"

Couldn't say a word I never say a word
She wraps her arms around my neck
"You are the sweetest guy I've ever known?"
And I say again, "This is the last time"

There she goes again
She says I'm her best friend
"We're better off this way?" she says
"Cause you're still
The sweetest guy I've ever known"

Her smell stays on my shirt, I can't say a word
Can't swallow this lump inside my neck
You are the the sweetest girl I've ever known
And I say again, "This is the last time"

When you left before I didn't care too much
'Cause I just wished you'd go away
And I see you now and it's just too much
Takes my breath away, just like a suckerpunch

Here she comes again
With another boyfriend
Introduces me
And says, "This is the sweetest
Guy I've ever known?"

Couldn't say a word I never say a word
She wraps her arms around my neck
"You are the sweetest guy I've ever known?"
And I say again and I said before
And I say once more, "This is the last time"

When you left before I didn't care too much
'Cause I just wished you'd go away
And I see you now and it's just too much

Takes my breath away, just like a suckerpunch
Just like a suckerpunch, yeah, just like a suckerpunch
Just like a suckerpunch
