Another roller coaster ride
We were stuck in overdrive
You were broken-hearted, I was all right
When I met you

She tried to ditch me and I tried to hate her
But we're still here ten break-ups later
I've got this figured out but I still don't understand her
She's like the perfect wave in a shark infested sea

When she breaks, she rains down on me
And I can't catch my breath
But I won't let 'er go
Yes, I feel at home in the undertow

My friends told me, "Man you're gonna crash
A car like that'll knock you on your ass"
I told 'em all that they could eat our dust
And we're still truckin'

She tried to ditch me and I tried to hate her
But we're still here ten break-ups later
I've got this figured out but I still don't understand her
She's like the perfect wave in a shark infested sea

When she breaks, she rains down on me
And I can't catch my breath
But I won't let 'er go
Yes, I feel at home in the undertow

Seems like I never win, I never learned how to swim
I spend my whole life treadin' water
You got me off of the beach and now I'm back in the reef
You can be my life preserver

Ba-ba-da-ba, ba-ba-da-ba
Ba-ba-da-ba, ba-ba-da-ba
Ba-ba-da-ba, ba-ba-da-ba

I've got this figured out, but I still don't understand her
She's like the perfect wave in a shark infested sea

When she breaks, she rains down on me
And I can't catch my breath
But I won't let 'er go
Yes, I feel at home in the undertow

I've got this figured out, but I still don't understand her
She's like the perfect wave in a shark infested sea

When she breaks, she rains down on me
And I can't catch my breath
But I won't let 'er go
Yes, I feel at home in the undertow
Yes, I feel at home in the undertow
Yes, I feel at home in the undertow
