i said, im happy to see you again,  
and i asked, well hows everything with you?  
you said, it couldnt be better,  
well we're caught up, i guess ill be on my way.

i said, im happy to see you again,  
and i asked, well hows everything with you?  
you said, it couldnt be better,  
well we're caught up, ill see you again some day.  
god i don't understand why.  
god i don't understand why.

we dont talk like we used to,  
and i miss you, and i miss you.  
Life changes it will never be the same,  
but i miss you, and i miss you.  
Hope tomorrow will be better than yesterday,  
and i miss you, and i miss you.  
dont ever forget about me,  
cuz i miss you, and i miss you.

We dont talk like we used to,  
and i miss you, and i miss you.  
life changes it will never be the same,  
and i miss you, and i miss you.  
Hope tomorrow will be better than yesterday,  
cuz i miss you, and i miss you.  
Well dont ever forget about me,  
cuz i miss you, and i miss you.

I miss you,  
I miss you,  
I miss you,  
I miss you.
