This vacation's useless
These white pills aren't kind
I've given a lot of thought on this 13-hour drive
I missed the grinded concrete where we sat past 8 or 9
and slowly finished laughing in the glow of our
headlights
I've given a lot of thought to the nights we used to have
The days have come and gone
Our lives went by so fast
I faintly remember breathing on your bedroom floor
Where I laid and told you, but you swear you loved me
more

Do you care if I don't know what to say?
Will you sleep tonight? Will you think of me?
Will I shake this off...pretend it's all okay?
That there's someone out there who feels just like me
There is

Those notes you wrote me
I've kept them all
I've given a lot of thought of how to write you back this
fall
With every single letter in every single word
There will be a hidden message
About a boy that loves a girl

Do you care if I don't know what to say?
Will you sleep tonight? Will you think of me?
Will I shake this off...pretend it's all okay?
That there's someone out there who feels just like me..
There is

Do you care if I don't know what to say?
Will you sleep tonight will you think of me?
Will I shake this off, pretend it's all okay?
That there's someone out there who feels just like me..

Do you care if I don't know what to say?
Will you sleep tonight will you think of me?
Will I shake this off, pretend it's all okay?

That there's someone out there who feels just like me..
