this vacation's useless
these white pills aren't kind
i've given a lot of thought on this 13-hour drive
i missed the grinding concrete where we sat past 8 or 9
and slowly finished laughing in the glow of our
headlights
i've given a lot of thought to the nights we use to have
the days have come and gone
our lives went by so fast
i faintly remember breathing on your bedroom floor
where i laid and told you but you swore you loved
me more

do you care if i don't know what to say
will you sleep tonight or will you think of me
will i shake this off pretend its all okay
that theres someone out there who feels just like me
there is

those notes you wrote me
i've kept them all
i'll give a lot of thought of how to write you back this fall

with every single letter in every single word there
will be a hidden message about a boy that
loves a girl

do you care if i don't know what to say?
will you sleep tonight or will you think of me
will i shake this off
pretend its all okay that there's someone out there who
feels just like me
there is

do you care if i don't know what to say?
will you sleep tonight or will you think of me
will i shake this off
pretend its all okay that there's someone out there who
feels just like me

do you care if i don't know what to say?
will you sleep tonight or will you think of me

will i shake this off
pretend its all okay that there's someone out there who
feels just like me
