I never thought you'd feel this way  
The way you feel about me  
I just wanna hold you tight  
Real tight close to me

And the things you used to say  
And the things you used to do  
I let it go, cause  
I love you so

And the things never go my way  
Why do you always have to play  
With my feelings  
Cause

Oh yeah it's not the way we planned it

Don't take my mind on a trip  
Cause to play me for a fool  
You don't love me that ain't cool  
No, no

Don't take my mind on a trip  
Don't take my love for granted  
Cause that's not the way  
We planned it

Always going out at night  
Playing games on me  
Telling me all those lies  
Cause you been seen with another guy

Everybody makes mistakes  
Don't you know that it's ok  
I still love you so  
I just can't let you go

And it's not that I'm a fool  
I'm just so in love with you  
I can't stand the blues  
Cause

Oh yeah it's not the way we planned it  
Don't take my mind... don't take me for a fool

Don't take my mind on a trip  
Cause to play me for a fool  
You don't love me that ain't cool  
No, no

Don't take my mind on a trip  
Don't take my love for granted  
Cause that's not the way  
We planned it

It's not the way we planned it  
That's not the way  
Don't take my mind on a trip  
Trip, trip, trip, trip

Don't take my mind on a trip  
Cause to play me for a fool  
You don't love me that ain't cool  
No, no

Don't take my mind on a trip  
Don't take my love for granted  
Cause that's not the way  
We planned it
