You walk sidewalk

And I pray, I pray
And I pray, I pray
I've been on my knees all day

Jerk faced pop star
Driving in your big car
Good looks, strong hooks
Only get you so far

High life, rich wife
Cut you like a knife

And I pray , I pray
I've been on my knees all day
And I pray, I pray
I hear every word you say

Cadillac, club knock

You look red, do drugs
Holler 'cause they're mean thugs
Hot wheel, better deals
Who's been holding his wheels

High life, rich wife
Cut you like a knife

And I pray , I pray
I've been on my knees all day
And I pray, I pray
I hear every word you say

I've got all my money
I've got all my money
I've got all my money
I've got all my money

Jerk faced pop star
Driving in your big car

Good looks, strong hooks
Only get you so far

High life, rich wife
Cut you like a knife

And I pray , I pray
I've been on my knees all day
And I pray, I pray
I hear every word you say

And I pray , I pray
I've been on my knees all day
And I pray, I pray
Don't you hear a word I say

What you say?
