One more kiss, darling
One more kiss, darling
Our last kiss wasn't good enough
It ended too quick, oh oh oh oh
Why don't we

Just slip away
To another side
Where greedy winds
Glide
Darling, why don't we
Just fall asleep
Dream the same dream
And only feel
Where our bodies meet
Darling, why don't we

Get lost sometime
Because it is, it is, it is
About time
Let's get lost in the furthest way
Where the wind says
'A a a all of you
Is mine to blow over'

Let's slip away
To deepest south
Where clouds slide
When you move your mouth
Darling, why don't we
Stand still and breathe
To each other's lips
Our lungs a pair
Of floating ships
Darling, why don't we

Let's pull the plug
Underneath this lake
When the water breaks
We'll spin away
Darling, why don't we
Watch water above

Brimming with life
Moving in time
With you, honey
Darling, why don't we
