Na, na, na, na ,na, na

If it don't make you rich, it don't make you happy
That's what they say but it's a lie
There's a path to the truth, better find it, get snappy
Chanting all day leaves you feeling high

Every little man from this generation
Wants to be a part of it's history
No one has a clue what they have to do
The spiritual world is a mystery

There is lots of room in a moghul tomb
In a moghul tomb there is lots of room
There is lots of room in a moghul tomb
In a moghul tomb there is lots of room

If it don't make you rich, it don't make you happy
That's what they say but it's a lie
There's a path to the truth, better find it, get snappy
Chanting all day leaves you feeling high

Every little man from this generation
Wants to be a part of it's history
No one has a clue what they have to do
The spiritual world is a mystery

There is lots of room in a moghul tomb
In a moghul tomb there is lots of room
There is lots of room in a moghul tomb
In a moghul tomb there is lots of room

Every little man from this generation
Wants to be a part of it's history
No one has a clue what they have to do
The spiritual world is a mystery

There is lots of room in a moghul tomb
In a moghul tomb there is lots of room
There is lots of room in a moghul tomb
In a moghul tomb there is lots of room

There is lots of room in a moghul tomb
In a moghul tomb there is lots of room
There is lots of room in a moghul tomb
In a moghul tomb there is lots of room

There is lots of room in a moghul tomb
In a moghul tomb there is lots of room
There is lots of room in a moghul tomb
