It doesn't matter if I say you're right even when you're  
wrong  
Or paint you as a hero or the chicks in every song  
I roll my eyes to heaven, I recognise your flaws  
But after all is said and done, I just want you more

Some people say I must be blind  
But I'll have you over them any time

Oh I wanna get next 2 you  
Oh I wanna get next 2 you (I wanna get next 2 you)

While searching for perfection, I fell foul of your  
charms  
Ti caro mi amigo, I want to leave, I can't  
These shoes are getting heavy, this cross is hard to  
bear  
At least a life of misery is something we can share

Some people say I must be blind  
But I'll have you over them any time

Oh I wanna get next 2 you  
Oh I wanna get next 2 you  
Oh I wanna get next 2 you, yes I do  
Oh I wanna get next 2 you (I wanna get next 2 you)

Some people say I must be blind  
But I'll have you over them any time

Oh I wanna get next 2 you  
Oh I wanna get next 2 you  
Oh I wanna get next 2 you, yes I do  
Oh I wanna get next 2 you (I wanna get next 2 you)
