War war is stupid and people are stupid
And love means nothing in some strange quarters
War war is stupid and people are stupid
And I heard the banging of hearts and fingers
War!

People fill the world with narrow confidence
Like a child at birth, a man with no defence
What's mine's my own, I won't give it to you
No matter what you say, no matter what you do

Now we're fighting in our hearts
Fighting in the streets
Won't somebody help me?

War war is stupid and people are stupid
And love means nothing in some strange quarters
War war is stupid and people are stupid
And I heard the banging of hearts and fingers
War!

Man is far behind in the search of something new
Like a Philistine, we're burning witches too
This world of hate must be designed for you
It matters what you say, it matters what you do

Now we're fighting in our hearts
Fighting in the streets
Won't somebody help me?

War war is stupid and people are stupid
And love means nothing in some strange quarters
War war is stupid and people are stupid
And I heard the banging of hearts and fingers
War!

After the bird has flown
Walked ten thousand miles back home
You can't do that to me, no, you can't do that to me
You can't do that to me, no, you can't do that to me

War!
War!

In this heart of mine, I'll find a place for you
For black or white, for grown-up children too

Now we're fighting in our hearts
Fighting in the streets
Won't somebody help me?

War war is stupid and people are stupid
And love means nothing in some strange quarters
War war is stupid and people are stupid
And I heard the banging of hearts and fingers

No more war
Say no more war
Say war
I said war
No more war
Say no more war
Say war
Said no more war
I said no more war
Senso hant-ai
Senso hant-ai
Say no more war
Say no more war
