You keep saying you've got something for me  
Something you call love, but confess  
You've been messing where you shouldn't be messing  
And someone else is getting all your best

These boots are made for walkin'  
That's just what they'll do  
One of these days these boots  
Are gonna walk all over you

You keep lying when you oughta to be truthin'  
You keep losing when you oughta not bet  
You keep saming when you ought to be changin'  
What's right is right, but you ain't been right yet

These boots are made for walkin'  
That's just what they'll do  
One of these days these boots  
Are gonna kick you

You keep playing where you shouldn't be playing  
You keep thinking that you'll never get burnt  
I just found me a brand new box of matches  
Your body knows you ain't got time to hurt

These boots are made for walkin'  
That's just what they'll do  
One of these days these boots  
Are gonna walk all over you

Are you ready boots?  
Start walkin'
