Hey yeah
Hey yeah yeah
Oh baby
Hey yeah yeah

Watching you walk away
Right out of my life
Hearing the things that you say
Love overdrive

So what are those precious feelings
You have for me, me, me
Am I an all-time loser
Why can't you see

Only your love can make me feel the way I do yeah
Only your love can make me keep on loving you
Gonna keep on loving you

Baby - are you too afraid you found it?
Baby - are you too afraid you found it?
Baby - are you too afraid you found it?
Baby - are you too afraid you found my love?

If you should say my affection
Is a waste of your time
If you should walk away

Boy, I'll say that's fine

Only your love can make me feel the way I do yeah
Only your love can make me keep on loving you, yeah
Gonna keep on loving you

Baby - are you too afraid you found it?
Baby - are you too afraid you found it?
Baby - are you too afraid you found it?
Baby - are you too afraid you found my love?

I feel afraid
I feel afraid

Only your love can make me feel the way I do yeah
Only your love can make me keep on loving you, yeah
Gonna keep on loving you

Babe - won't you wrap your arms around me?
Babe - could you keep the love, you found it?
Babe - won't you wrap your arms around me?
Babe - could you keep the love, you found it?

Stay with me all night why don't you?
