Give me time  
To release my crime  
Let me love and steal  
I have danced  
Inside your eyes  
How can love be real  
Do you really want to hurt me  
Do you really want to  
Make me cry  
Precious kisses  
Words that burn me  
Lovers never ask you why  
In my heart  
The fires burning  
Choose my colour  
Find a star  
Precious people always tell me  
That's a step  
A step too far  
\*Do you really want to hurt me  
Do you really want to  
Make me cry  
Do you really want to hurt me  
Do you really want to  
Make me cry  
Words are few  
I have spoken  
I could waste a thousand years  
Wrapped in sorrow  
Words are token  
Come inside/and catch my tears  
You've been talking  
But believe me  
If it's true  
You do not know  
This boy loves without a reason  
I'm prepared  
To let you go  
If it's love you want from me  
Then take it away  
Everything is not what you see  
It's over again

\*Repeat again and again until 4 minutes later
