Beautiful child in razor heels  
Sashays into the room  
All the boys, they catch their breath  
And the mirrors swoon  
Now she's running down the hall  
Head scarf and a Hollywood smile  
She's got a dagger in your back  
And a killing style

Love and hate, it's all the same your way  
Just another twisted game to play

Evil, child star, movie queen  
Evil, sweet charm, Mabeline  
Evil, no one gets the better of me

Your father's rage and a cocktail dress  
With a bullet proof heart  
Why is your life in such a mess  
If you're so damn smart  
Judy Garland, Jimmy Dean  
You tragedy queen  
Give me fat girls, give me rough boys  
Give me what I dream

Love and hate, it's all the same your way  
Just another twisted game to play

Evil, child star, movie queen  
Evil, sweet charm, Mabeline  
Evil, such a pretty boy that I've never seen

Love and hate, it's all the same your way  
Just another twisted game to play

Evil, child star, movie queen  
Evil, the sweet charm, Mabeline  
Evil, no one gets the better of me

Evil  
Evil  
Evil

Noone gets the better  
Noone gets the better  
Noone gets the better
