Mother hold your breath
'cause I will never be
Any of the things
That you have planned for me

Mother hold your tears
'cause I am happy now
My free and independent spirit
Curses me somehow, but I say

You're not the only one
Who lives and breathes this pain
Don't be the holy one
'cause if he comes again
You're not the only one
And God don't hold a grudge

Father hold your fist
'cause I will never be
An image of yourself
No perfect family
Father it's too late
To make a man of me
I love against the gods

But I don't scare too easily and I say

You're not the only one
Who lives and breathes this pain
Don't be the holy one
'cause if he comes again
You're not the only one

State your number and your cause
Your black skin or your menopause
Your cancer your identity
You're not so different to me

You're not the only one
State your number and your cause
Don't be the holy one
Your black skin or your menopause

You're not the only one
Your cancer your identity
Don't be the holy one
You're not so different to me
