

## Boy George "I Asked For Love"

There might be a question  
That you ask before too long  
I won't have the answer  
But I promise to be stronger

You lied to me, you lied to me  
Like I was some fool, yes you did  
You lied to me, you cried for me  
I told you to keep your cool

I asked for love  
But your love has gone  
I asked for love  
But your love has gone  
I asked for love  
But your love has gone  
I asked for love  
And to be strong, to be stronger

There was a time  
I felt no shame  
In asking please, please me  
But your rejection  
Has brought me to my knees

You lied to me, you lied to me  
Like I was some fool, yes you did  
You lied to me, but that's history  
I told you to keep your cool

I asked for love  
But your love has gone  
I asked for love  
But your love has gone  
I asked for love  
But your love has gone  
I asked for love  
And to be strong, to be stronger

All the people  
Are ready to hold your hand  
All the people

Are ready to understand

The things you do

I asked for love

But your love has gone

I asked for love

But your love has gone

I asked for love

But your love has gone

I asked for love

And to be strong, to be stronger
