Hahahahaha
Ich Bin Kunst
Can't you see?
Look at you
Then look at me
I am art
You're parody!
Ich Bin Kunst
Je suis art (tres tres debonair)
Because you don't
Because I dare
I blow your mind
C'est mon plaisir
Ich Bin Kunst
It started when I was only a boy
I couldn't kick a ball, climb a tree, play at war
I took pleasure in the things that make men shudder
I dressed up in the wardrobe of my mother!
My father said 'Don't panic, it's a phase'
Phase One, I said and snipped and sewed for days
I dreamed of London town, ardent fashion was my
thing
I arrived and took a job in Burger King
(it was nothing!)
Ich Bin Kunst
Can't you see?
Look at you
Then look at me
I am art
Ha, you're parody!
Ich Bin Kunst
Je suis art (tres tres tres debonair)
Because you don't
and because I dare
I blow your mind
C'est mon plaisir
Ich Bin Kunst
