Oh yea
Why do you make it hard to love you?
You know sometimes it's hard to care
If you just give me time
Let me free up my mind I'll be there

You want to be the perfect lover, I know you do
But the talk is cheap what does it show?
I know one day you're gonna find
That all lovers, they're blind
You know that they are

But I'm not sleepin' anymore
I'm not sleepin' anymore

See I woke up to find
You were still on my mind
You know that you are
Yes, you know that you are

Yea yea yea
Know that you are

You say that you need me
Give me time, give me time
You know that you'll always
Always be mine

'Cause I woke up to find
That you were still on my mind
You know that you are
Yes you are

But I'm not sleepin' anymore
I'm not sleepin' anymore

You know one day you're gonna find
That all lovers, they're so blind
You know that they are
You know that you are

I'm not sleepin' anymore

I'm not sleepin' anymore
No, no, no, no
I'm not sleepin' anymore
Ohh, yea
