

Boy George "Peculiar World"

Visit "[Peculiar World](#)" on MotoLyrics.com

Of all the pirates that I know, you must be the best
Always lied about your past and covered up the rest
I met you at a moment when, you forgot yourself
Sail on, I said, sail on

What do you get when you enter this world?
You get what you deserve
What do you get when you enter this world?
You get what you deserve

In this peculiar world (when I met you)
In this peculiar world (when I met you)
In this peculiar world
In this peculiar world (yes)

Of all the forgotten heroes, you remain so fit
A challenge to my self-respect but no challenge to my
wit
I met you at a moment when, you could take a risk
Shine on, I said, shine on

What do you get when you enter this world?
You get what you deserve
What do you get when you enter this world?
You get what you deserve

In this peculiar world (when I met you)
In this peculiar world (when I met you)
In this peculiar world
In this peculiar world (yeah... yeah)

(shine on)

What do you get when you enter this world?
You get what you deserve
What do you get when you enter this world?
You get what you deserve

In this peculiar world (when I met you)
In this peculiar world (when I met you)
In this peculiar world
In this peculiar world

What do you get when you enter this world?
You get what you deserve
What do you get when you enter this world?
You get what you deserve

In this peculiar world (when I met you)
In this peculiar world (when I met you)
In this peculiar world
In this peculiar world
