Oh you slide so good  
But just take your time  
Drink the blood of fools  
I've got to make you mine  
Speak in devils tongue  
Fake the spoken word  
Play with silence now  
Well that's what I've heard

I've felt this love I felt this pain  
I felt this heartache too

Something strange called love is happening to me  
Something strange called love is happening to me

Oh you slide so good  
With your bones so fair  
You've got the universe  
Reclining in your hair  
Say my love is good  
Say we're not too old  
I call you jaguar  
If I may be so bold

I've felt this love I felt this pain  
I felt this heartache too  
I came so close but no one knows  
The love I felt for you

Something strange called love is happening to me

Something strange called love is happening to me

They say that we're much too young  
To fall in love  
Well, what do they know?  
They say that our kind of love  
Just ain't enough  
Well what do they know?

Something strange called love

Oh you slide so good  
But just take your time  
Drink the blood of fools  
I've got to make you mine  
Speak in devils tongue  
Fake the spoken word  
Play with silence now  
Well that's what I've heard

I've felt this love I felt this pain  
I felt this heartache too  
I came so close but no one knows  
The love I felt for you

Something strange called love is happening to me  
Something strange called love is happening to me  
(repeat)
