To the beat to the beat to the baby baby boom
Whatcha gonna do, gonna please me?

Some black night, who's lurking in the shadows
Full sweet lips, who's gonna take my love
Yeah you hang around here full of promise and
deception
Talk is cheap when you're gonna give it up

Every night you know I need you so badly
You've got me dreaming, scheming, loving, hating,
complicated
I'm so sick and tired of waiting

Is this a good dream?
Feels like a bad dream
This ain't no good dream
I hate the way you're treating me

Is this a good dream?
Feels like a oh
Oh my dreams of love will bring me back to you

Can't go to sleep, the demons keep on beating
My heart drum, my heart drum is banging out for you
Feel your hand on my shoulder and a breeze on my
spine
Some pain, some pain, give me a good time

Every night you know I need you so badly
You've got me dreaming, scheming, loving, hating,
complicated
I'm so sick of waiting

Is this a good dream?
Feels like a nightmare
Maybe this is your dream
I hate the way you're treating me

Is this a good dream?
Feels like a oh
Oh my dreams of love gonna bring me back,

Gonna bring me back to you

Got a gun, fix me in, make my head spin

Aw!

Give it up!

Is this a good dream?

Feels like a bad dream

Maybe this is your dream

I hate the way you're treating me

Is this a good dream?

Feels like a nightmare

Oh oh give it up, give it up

Is this a good dream?

Feels like a bad bad dream

Night and day, day and night

Is this a good dream?

I hate the way yabut I'm coming back

Is this a good dream?

Feels like a nightmare

Maybe this is your dream

I hate the way you're treating me

Is this a good dream?

Feels like a oh

Oh my dreams of love gonna bring me back,

Gonna bring me back to you

Is this a good dream...
