Get off your knees
Don't apologise
'Cause I ain't got no time
For no more lies
You know the answer
I gave it to you
But you carry on
With the things that you do
Yes I have tried

I, I could live, I could die
I could be reborn in your arms
I, I could laugh, I could cry, I could sigh if you're there
To keep me warm
To keep me warm, warm, warm

Talk to me
Open your eyes
Talk to me
Lose the disguise
We had good love
Most of the time
Give it back
That love is mine
Give it back
Just one more time

I, I could live, I could die
I could be reborn in your arms
I, I could laugh, I could cry, I could sigh if you're there
To keep me warm
To keep me warm, warm, warm

I know the answer
What can we do
I know the answer, yeah
So do you
I gave you love
I gave it to you
I gave you love - something new
I gave you love

I, I could live, I could die
I could be reborn in your arms
I, I could laugh, I could cry, I could sigh if you're there
To keep me warm
To keep me warm, warm, warm
