I'm shaking awful...  
I'm shaking, asshole  
And where's the remote?  
Its gonna fall off.

The snowing in cover,  
Do you recover from those?

And Christmas time coming  
And over approaching  
We've been drinking, pardon.  
As Christmas time goes  
I'm coming over  
Coming from  
You're already gone

I'm wrapping up  
The presents  
I bought

(pretty guitar)

An overcoat  
Will take me anywhere  
O,  
We've suffered enough.

Its scary  
To me,  
And their leaving from earth.  
Cutting us off  
Knowing that  
One  
Calling on  
Total  
Way.  
Do i know anyone  
No  
I don't know

Anyone
