Ooh ooh ooohhh ooohhh
Ooh ooh ooohhh ooohhh

Every time you try to pick up just the pieces,
Feelin' bad for yourself.

Watchin' all the foreign cars for fags and breezes
From a window instead
From a window instead

Find it hard to see the good or face the music
Looking backwards again
Oversentimental staring half-way horizontal
Well I think you're a new man
Well I think you're a new man

So I repeat what you said
So I repeat what you said
So I repeat what you said
So I repeat

Morning calls it's early birds, my babes and beagle,

Still resting their heads

They're waking up to noisy doors or stomping feet,
Of a restless old man
Of a restless old man

So I repeat what you said
So I repeat what you said
So I repeat what you said
So I repeat what you said

Ooh ooh ooohhh ooohhh
Ooh ooh ooohhh
Ooh ooh ooohhh ooohhh
Ooh ooh ooohhh

So I repeat what you said
So I repeat what you said
So I repeat what you said

So I repeat what you said
So I repeat what you said
So I repeat what you said
So I repeat what you said
So I repeat
