I'm coming up only
To hold you under
I'm coming up only
To show you wrong

And to know you
Is hard we wander
To know you all wrong
We were

Oooooohh oooooh
Oooooohhhooohhhhooh

Really to late to
Call so we wait for
Morning to wake you
It's all we got

To know me as hardly golden
Is to know me all wrong
They were

And every occasion
I'll be ready for the funeral
Every occasion once more
It's called the funeral
Every occasion
Oh, I'm ready for the funeral
And every occasion
Of one billion day funeral

I'm coming up only
To show you down for
I'm coming up only
To show you wrong

To the outside
The dead leaves they all blow
Before they died
had trees to hang their hope

Oooohhhohhhhhh

Oooooohoooooh

And every occasion
I'll be ready for the funeral
And every occasion once more
It's called the funeral
And every occasion
Oh, I'm ready for the funeral
Every occasion
Of one billion day funeral
