excuse me..

i know we just met but can i have this dance?

sitting here with a drink in my hand

your presence i came ta know

i must have really liked watchin you dance

but it seems like i've seen this before.

Girl you look like (like)

My first wife (wife)

Who i've never even married before.

So i kissed your hand and tell you thank you..

you turn and ask me what for.

1 For our first kiss on next week.

For when we make love in 6 weeks.

For the ring you wore proudly 3 months from now.

When you said I do next month.

And for those beautiful children of ours.

Yes I know it might sound strange cuz we just met.. but
i thank you in advance..

(Sean help me sing)

Hi my name is S E A N (sean)

Tell me your name although i know the last one.

its funny that we're shakin hands

(Wait a minute, I know this hand)

Its the same hand i'll hold in front of a minister.

(same hand)when you're holding my son.

I dont mean ta sound so bold and forward but i thank
you in advance.

1 For our first kiss on next week.

For when we make love in 6 weeks.

Oooh...

It's like i came back in time to tell you thank you you're
as beautiful then as

you are now.

Look in the mirror, there is a picture

Of you and the man you love.

1 For our first kiss on next week.

For when we make love in 6 weeks.

For the ring you wore proudly 3 months from now.

When you said I do next month.

And for those beautiful children of ours.
