Tell me, Tell me, Tell me, Why?  
Tell me Whyyy?, Tell me Why? Tell me Why?  
Tell me Whyyy? Tell me

I sit back like a recliner and wonder if you my girl  
Who'se faithful while I find ya when your breath smell  
like vagina  
Why you acting fishy when you walk in the room?  
And you smelling like an unfamiliar form of perfume  
Hair messed up, your body dressed up for seducing  
Talking late at night, on the phone with Susan  
At first I thought it was amusing how you two would flirt  
Fuck around, simple kiss now its kisses up the skirt  
Im shocked, I really thought I had you locked for a  
while  
I didn't know you were into go-girl style  
Melissa Evans you be proud that you're smellin like  
Helen  
But I'm 'bout to bust your mellon cause you're not  
honest for telling me  
How the fuck I'm s'posed to guess? Mental telepathy?  
Is it fascination? Or you ain't pleased sexually?  
You gotta tell me something stop fucking around  
Tell me that you're leaving me, or tell me, how can I be  
down,?

Tell me Why? Tell me Why?  
Tell me Why? Tell me Why?  
Tell me Whyyy? Tell me, Tell me, Tell me  
Tell me Why? Tell me Whyyy?,  
Tell me Why? Tell me Why?  
Tell me Why? Tell meeee, Ooh Baby

Body female, send messages like E-Mails  
That are hard to read like if the frequency fails  
Is it my fault that I can't read your thoughts about life  
How am I supposed to know who you were with last  
night?  
I got things on my mind that I wanna say to you  
Don't ever let me find out you ain't been true  
I try to treat her right, and plus I always respect her

But she's the type that tends to fall for men who neglect her  
Just wanna sex her? The answer could be maybe  
But I want more than that if the woman is a lady  
It seems like lately, if you ain't the player you're the one who'se gettin played  
Who made the world this way?  
Why do things got to get complicated?  
Why do some girls get me so damn aggitated?  
It's amazing how much power you have - Because your blazing hot  
But are you worth it all? I think not....

Tell me Why? Tell me Why?  
Tell me Why? Tell me Why?  
Tell me Whyyyy? Tell me, Tell me, Tell me  
Tell me Why? Tell me Whyyy?,  
Tell me Why? Tell me Why?  
Tell me Why? Tell meeee, Ooh Baby

Why do ugly mutherfuckers always get the flyest honey's?  
Why do people act different when they come across money?  
Why are most humans judged by our monetary status?  
Why the wack ass rappers get sweated by the masses?  
Why must it be so hard to excell? and  
Why does this earth seem to be mental hell? and  
Why can I just bubble over like lava?  
Why must we deal with this negative drama?  
Dramatic - Chickenheads turn to crack addicts  
Acting wack , automatic responses, I've had it  
With your nonsense, I used to love her but she lost her Com Sense  
Now I can read her like a book - With the table of contents  
No hidden messages, I reminisce of when I kissed your lips inside your residence  
An essence of ecstasy, Now you act like my enemy  
Not a friend to me, I drown your memories in hennessey  
And mentally paint the pictures of pain stained eyes  
I cry, Why must you be so fly? And why must you make me feel like my soul dies?  
These are the things that make me ask why...

Tell me Why? Tell me Why?  
Tell me Why? Tell me Why?  
Tell me Whyyyy? Tell me, Tell me, Tell me  
Tell me Why? Tell me Whyyy?,  
Tell me Why? Tell me Why?

Tell me Why? Tell meee, Ooh Baby.
