personal regards
like a dart
in your face
whatever you might do
there's nothing left to lose
or to take
i wave the long goodbye
and wonder if i'll die tomorrow
or today
and whatever i do
there's no more fear to lose
or to face
anymore
got time to kill
and i'm killing it slowly
time like a dart in your face
another poacher's day
the killer's on his way
to his duty
and nothing that i want
will enter in his thoughts
today
i want you to arrive
and look me in the eyes
then just go away
but nothing that i want
will enter in your thoughts
when the time
comes to pay
got time to kill
and i'm killing it slowly
time like a dart
in your face
no time to kill
is a desperate moment
time like a dart
on its way
i never seem
to make you cry
to matter much
or cross your mind
i don't want you

i don't want you
so take your aim between my eyes
and do what must be done
and then leave me,
leave me alone
iÂ...
Â...need time to kill
'cause i'm killing it slowly
time like a dart
in your face
no time to kill
is a desperate moment
time like a dart
on its way
