The world is moving at the speed of light.
A million arts are bouncing off a satellite.
You got the answer in the palm of your hand,
So many things that I don't understand.

It's a crazy world.

People talking through the video,
Everybody's got their own damn TV show.
Well, everyday we're onto something new,
Another light is gonna get me closer to you.

I wanna just slow down,
It's a crazy world.
I wanna hold you now,
Just a boy and girl.
Sitting on the porch swing, laying low,
Singing with the songs on the radio, and,
I wanna just slow down,
It's a crazy world.

Lining up to start another war,
But can you really tell me what we're fighting for?
Stuck in the middle of a hurricane,
I think the world just might be going insane.

I wanna just slow down,
It's a crazy world.
I wanna hold you now,
Just a boy and girl.
Sitting on a porch swing, laying low,
Singing with the songs on a radio, and,
I wanna just slow down.
It's a crazy world.

And I am gonna make the world change,
And I don't gotta win the right race,
I just wanna see your face tonight.

I wanna just slow down,
It's a crazy world.
I wanna hold you now,

Just a boy and girl, and,
I wanna just slow down,
It's a crazy world.
I wanna hold you now,
Just a boy and girl.
Sitting on a porch swing laying low.
Singing with the songs on the radio.
I wanna just slow down,
It's a crazy world.
