I saw you sitting all by yourself,  
Coffee and The New York Times.  
You got me thinking like what the hell  
Before I go and change my mind.

Hey, you, feel like falling in love on a subway train.  
Hey, you, do you tell me, baby, I don't know your  
name.  
Tell me, I don't know your name.

We say what we say,  
We do what we do,  
We love who we love,  
Hey, you.  
If life is a small town, we're just passing through  
Blink and you miss it, hey you.

Just another pair of old boots,  
With the jacket on and ticket on.  
Just a dreamer on a Sunday night  
Who is gonna leave you alone.

Hey, you, feel like falling in love on a subway train.  
Hey, you, do you tell me, baby, I don't know your  
name.  
Tell me, I don't know your name.

We say what we say,  
We do what we do,  
We love who we love,  
Hey, you.  
If life is a small town, we're just passing through  
Blink and you miss it, hey you.

Hey, you, hey, you.  
Hey, you, hey you.

We don't have to say forever,  
I'm cool with whatever,  
Love is coping.  
We can just sit here at night,  
Just two strangers in the night,

And I what would suppose to do?

We say what we say,

We do what we do,

We love who we love,

Hey, you.

If this is the moment, the moment of truth,

I don't wanna miss it, hey you, hey you, hey you.

Hey you, hey you, hey you, hey you.

Hey you, hey you, hey you, hey you.

Hey, you, feel like falling in love on a subway train.

Won't you tell me your name?
