Stuck in a daze  
What are you waiting for  
The world is knocking at your door  
And you're still hiding underneath the covers  
A smoky haze, and failed relationships  
Stuck inside a stranger's hips  
And soon somebody's gonna break your cover  
And it would be la-la-la la-la-la la-la-la  
La-la-la la-la-la la-la-la, I lied.

The smell of seaside air and cheap perfume  
The one last chance to tell the truth  
I think I might be caught up in the moment  
No turning back, don't try to compromise  
Just stop and look her in the eyes  
This time just say I don't know how to say this.

I la-la-la la-la-la la-la-la  
La-la-la la-la-la la-la-la  
I la-la-la la-la-la la-la-la  
La-la-la la-la-la la-la-la  
I lied.

Ooooooooooh, the stars are out tonight  
Ooooooooooh, coming back to life  
Ooooooooooh, don't say goodbye no not this time

Stuck in a daze,  
What are you waiting for  
The world is knocking at your door  
And you're still peaking out between each others  
And not a laugh, not even tears to cry  
Just watching time go racing by  
Why can't we just be real with one another

Starting with la-la-la la-la-la la-la-la  
La-la-la la-la-la la-la-la  
Well how about la-la-la la-la-la la-la-la  
La-la-la la-la-la la-la-la  
I lied.

Ooooooooooh, the stars are out tonight

Ooooooooooh, coming back to life  
Ooooooooooh, don't say goodbye no not this time
