Today is the day
The worst day of my life
You're so content it hurts me
I don't know why
The cost of misery
Is at an all time high
I keep it hidden
Close to the surface in sight

I'm learning to fall
I can hardly breathe
When I'm going down don't worry about me
Don't try this at home
You said you don't see
I don't want to know that you know, it should have been
me

Could you be with him?
Or was it just a lie?
He doesn't catch you like I do
And you don't know why
You change your clothes and your hair
But I can't change your mind
Oh, I'm uninvited
So unrequited now

I'm learning to fall
I can't hardly breathe
When I'm going down don't worry about me
Don't try this at home
You said you don't see
I don't want to know that you know, it should have been
me

Words screaming in my head
Why did you leave?
And I can't stop dreaming
Watching you and him
When it should have been
It should have been me

Today is the day

The worst day of my life

I'm learning to fall
I can't hardly breathe
When I'm going down don't worry about me
Don't try this at home
You said you don't see
I don't want to know that you know, it should have been
me

Whoa (I'm learning to fall, I can't hardly breathe)
(I don't want to know that you know, it should have been
me)
Tell me that you know, it should have been me)
Whoa (Don't try this at home, You said you don't see)
I don't want to know that you know, it should've been
me
Whoa (I'm learning to fall, I can't hardly breathe)
(I don't want to know that you know, it should have been
me)
Tell me that you know, it should have been me
Whoa (Don't try this at home, You said you don't see)
I don't want to know that you know, it should've been
me
