Even though you're gone and far away,  
I feel you all around.  
I think about it every single day,  
You got away somehow.

I can't sleep.  
It's hard to breath,  
And I still feel you next to me.  
Now, I can see.

The first one is the worst one,  
When it comes to a broken heart.  
Whoa, oh, oh.  
Your first love, yeah, you're so young,  
And you feel like a fallin' star.  
Whoa, oh, oh.

There's a fire in the city,  
That's burnin' out tonight,  
You're breathing,  
But you're barely alive.  
Woah, oh, oh.  
The first one is the worst one,  
When it comes, when it comes to a broken heart.

Spinnin' like a movie in my head,  
I've seen a thousand times,  
I've learn to take it hard,  
And fall instead.  
I'm sittin' safe on the side lines.

Lost days,  
Pictures fade.  
Somehow, you're still miles away.  
It's safe to say,

The first one is the worst one,  
When it comes to a broken heart.  
Whoa, oh, oh.  
Your first love, yeah, you're so young,  
And you feel like a fallin' star.  
Whoa, oh, oh.

There's a fire in the city,  
That's burnin' out tonight.  
You're breathing,  
But you're barely alive.  
Woah, oh, oh.  
The first one is the worst one,  
When it comes, when it comes to a broken heart.

'Cause I would walk though a thunder storm just to kiss  
you.  
I'm out here on my own.  
Better now than I was before,  
But, I miss you, and I want you to know.

I can't sleep.  
It's hard to breathe,  
And I still feel you next to me.  
And I can see.  
Yeah.

The first one is the worst one,  
When it comes to a broken heart.  
Whoa, oh, oh.  
Your first love, yeah, you're so young,  
And you feel like a fallin' star.  
Whoa, oh, oh.

There's a fire in the city,  
That's burnin' out tonight.  
You're breathing,  
But you're barely alive.  
Woah, oh, oh.  
The first one is the worst one,  
When it comes, when it comes to a broken heart.

The first one is the worst one,  
When it comes to a broken heart. (I feel you all around)  
Your first love, yeah, you're so young,  
And you feel like a fallin' star. (got away somehow.)

There's a fire in the city,  
That's burnin' out tonight.  
You're breathing,  
But you're barely alive.  
The first one is the worst one,  
When it comes, when it comes to a broken heart.
