Roman Roman you're so cute  
Roman Roman bitter root  
All the girls they jump for joy  
Roman Roman naughty boy

It's a short life for Polanski  
Takes the first plane off to France (tonight)  
I'll make more memories (tonight)  
I'll take control

It's a hard time for romanceski  
And living within the norm (tonight)  
Her eyes are crystal clear (tonight)  
Her lips are warm tonight

Roman Roman you're so cute  
Roman Roman substitute  
Please be honest please be true  
Roman Roman I love you

Hold the party and they're coming home  
Daddy got his bride in hand (tonight)  
My future lies behind me (tonight)  
For I know this'll shine

It's a short life for Polanski  
So hard it lost it's stroke(tonight)  
All the blinds are drawn (tonight)  
The whole world thinks of you tonight

Oh it was cool in May  
And she was only 13  
Oh it's a crying shame  
Roman you looked too good  
Hats off to Roman Polanski  
They never gave him a chanceski  
When he took down his pantski  
He had nothing on manski

Roman Roman you're so cute  
Roman Roman bitter root  
Please be honest please be true

Roman Roman I love you
