It's you and me
Moving at the speed of light into eternity
Tonight is the night
To join me in the middle of ecstasy

Feel the melody and the rhythm of the music
Around you, around you

I'ma take you there, I'ma take you there
So don't be scared, I'm right here, ready?
We can go anywhere, go anywhere
But first, it's your chance, take my hand, come with me

It's like I waited my whole life for this one night
It's gon' be me, you and the dance floor
'Cause we only got one night
Double your pleasure, double your fun

And dance forever ever ever
Forever ever ever
Forever ever ever
Forever on the dance floor

Feels like we're on another level, girl
Feels like our love's intertwined
All you gotta do is watch me
Look what I can do with my feet
Baby, feel the beat inside

I'm driving, you could take the front seat
Just need you to trust me, oh, oh, yeah
It's like now

It's like I waited my whole life for this one night
It's gon' be me, you and the dance floor
'Cause we only got one night
Double your pleasure, double your fun

And dance forever ever ever
Forever ever ever
Forever ever ever

Forever on the dance floor

It's a long way down, we so high off the ground
Sending for an angel to bring me your heart
Girl, where did you come from? Got me so undone
Gaze in your eyes, got me saying

What a beautiful lady, no ifs, ands or maybes
I'm releasing my heart and it's feeling amazing
There's no one else that matters, you love me
And I won't let you fall girl, let you fall girl

I won't let you fall, let you fall, let you fall
Yeah yeah, yeah yeah

It's like I waited my whole life for this one night
It's gon' be me you and the dance floor
'Cause we only got one night
Double your pleasure, double your fun

And dance forever ever ever
Forever ever ever
Forever ever ever
Forever on the dance floor
