haylie dont hate me
it wasnt me it was the way that your friend
yeah the way she came onto me
an even tho you forgave me
somethings wrong

i dont need your heart to bleed
cuz your heart is all i need

he said hey baby
lets shout shout crazy
were young and in love and your my best best buddy
we can make this count

haylie i know you must be crazy
hearing everyone bad talk me stop
stop talking to your friends cuz i hate them
i hate them

i dont need your heart to bleed
cuz your heart is all i need
open your eyes and youll see
and youll come back to me yeah back to me

hey baby lets shout shout crazy
were young and in love and your my best best buddy

we can make this count

hey baby lets shout shout crazy
i know we can work this out
we can make this count
we can make this count

hey baby lets shout shout crazy
were young and in love and your my best best buddy
we can make this count

hey baby lets shout shout crazy
i know we can work this out
we can make this count

hey baby lets shout shout crazy
were young and in love and your my best best buddy
we can make this count

hey baby lets shout shout crazy
i know we can work this out
i dont need your heart to bleed
cuz ur heart is all i need
we can make this count
