I'm sick of you  
I'm sick of you saying that you're heart won't stop  
beating  
What's another way to show you that it's over [Over]

Remember what I said to you when we were in bed  
That no I'm not your man  
Just your one night stand  
Not your boyfriend

Well you should stop calling me [Yeah]  
It's not fair, but I have to leave [Wah Oh]  
Just leave, baby, leave  
I know it's hard to believe  
I gotta leave

Open your eyes  
Can't you see this is a lie  
I'm letting you go, I'm letting you go  
But now I'm doing just fine  
You're not alright, alright

I know it's hard to believe  
But it's true, for you  
Don't worry about me, I got what I wanted  
And one day you'll see

You should stop calling me [Yeah]  
It's not fair, but I have to leave [Wah-Oh]  
Just leave, baby, leave  
I know it's hard to believe [I gotta leave]

Wah-oh, Wah-oh  
Wah-oh, Wah-oh

Just leave, baby, leave  
I know it's hard to believe  
I gotta leave

It's been so long  
And now you're gone  
There's nothing left to do

And you know it's true  
I'll take it back, take it back from you  
I was there so ask me if I care

I'm sick of you saying  
That your hearts hurts cuz your heart won't stop  
beating.  
What's another way to show you that it's over

Stop calling me  
It's not fair, but I have to  
Leave, baby, leave  
I know it's hard to believe  
I gotta leave

I have to leave

[Wah-oh, wah-oh]

Just leave, baby, leave  
I know it's hard to believe  
I gotta leave
