I don't have a lot of friends just  
My fans, and they are all I need  
'Cause when I came here, I  
Stayed here to party.  
I love when people doubt me  
I remember when  
They said that it was never gonna last  
Yeah I remember that.  
Saying  
So, and you tell me:  
"That this is all you got"  
And I know it's not

That's what's up oh, to all my players  
Let's just don't care  
Let's just don't worry about  
The haters (haters)  
'Cause I get low  
First you get high, and then  
You get low-e-oh

Well it's ok  
'Cause it's not the same  
I took it  
Back cause I'm not living in the past  
And everything about that.  
It was wrong it was wrong  
But everything I've been through has  
Led me to something new

That's what's up oh, to all my players  
Let's just don't care  
Let's just don't worry about  
The haters (haters)  
'Cause I get low  
First you get high, and then  
You get low-e-oh  
That's what's up  
Oh, girls come and go  
Let's just don't care  
Let's just don't worry  
About the haters haters

'Cause I get low  
First you get high, and  
Then you get low-e-oh

I know I  
Did it wrong but I'm waiting for  
The right time.  
Forget about it all  
And just brush it off brush it off.  
I need a beat to turn me on,  
But just turn it off 'cause now I'm gone
