She packed by bags last night, preflight  
Zero hour, nine a.m.  
And I'm gonna be high  
As a kite by then

I miss the earth so much  
I miss my wife  
It's lonely out in space  
On such a timeless flight

And I think it's gonna be a long, long time  
'Til touchdown brings me 'round again to find  
I'm not the man they think I am at home  
Ah, no, no, no

I'm a rocket man  
A rocket man  
Burnin' out his fuse  
Up here alone

And I think it's gonna be a long, long time  
'Til touchdown brings me 'round again to find  
I'm not the man they think I am at home  
Ah, no, no, no

I'm a rocket man  
A rocket man  
Burnin' out his fuse  
Up here alone

Mars ain't the kind of place to raise your kids  
In fact, it's cold as hell  
And there's no one there to raise them  
If you did

And all this science, I don't understand  
It's just my job five days a week  
A rocket ran  
A rocket ran

And I think it's gonna be a long, long time  
'Til touchdown brings me 'round again to find

I'm not the man they think I am at home  
Ah, no, no, no

I'm a rocket man  
A rocket man  
Burnin' out his fuse  
Up here alone

And I think it's gonna be a long, long time  
'Til touchdown brings me 'round again to find  
I'm not the man they think I am at home  
Ah, no, no, no

I'm a rocket man  
A rocket man  
Burnin' out his fuse  
Up here alone

And I think it's gonna be a long, long time  
And I think it's gonna be a long, long time  
And I think it's gonna be a long, long time  
...
