Oh yea oh oh oh
I long for the warmth of days gone by when you were
mine
But now those days are memories in time
Life's empty without you by my side
My heart belongs to you, no matter what I try

When I get the courage up to love somebody new
It always falls apart 'cause they just can't compare to
you
Your love won't release me, I'm bound under ball and
chain
Reminiscing our love as I watch 4 seasons change

In comes the winter breeze that chills the air and drifts
the snow
And I imagine kissing you under the mistletoe
When springtime makes it's way here
Lilac blooms reminds me of the scent of your perfume

When summer burns with heat, I always get the hots for
you
Go skinny dippin' in the ocean where we used to do
When autumn sheds the leaves, the trees are bare
When you're not here, it doesn't feel the same

Remember the nights when we closed our eyes
And vowed that you and I would be in love for all time

Anytime I think about these things I shared with you
I break down and cry 'cause I get so emotional
Until you release me I'm bound under ball and chain
Reminiscing our love as I watch 4 seasons change

In comes the winter breeze that chills the air and drifts
the snow
And I imagine kissing you under the mistletoe
When springtime makes it's way here
Lilac blooms reminds me of the scent of your perfume

When summer burns with heat, I always get the hots for
you

Go skinny dippin' in the ocean where we used to do
When autumn sheds the leaves, the trees are bare
When you're not here, it doesn't feel the same

This loneliness has crushed my heart
Please let me love again
'Cause I need your love to comfort me and ease my
pain
Or 4 seasons will bring the loneliness again

In comes the winter breeze that chills the air and drifts
the snow
And I imagine kissing you under the mistletoe
When springtime makes it's way here
Lilac blooms reminds me of the scent of your perfume

When summer burns with heat, I always get the hots for
you
Go skinny dippin' in the ocean where we used to do
When autumn sheds the leaves, the trees are bare
When you're not here, it doesn't feel the same
Remember the warmth of days gone by
