Verse1 :

You taught me everything and everything you've given
me

I'll always keep it inside

You're the driving force in my life

There isn't anything or anyone that I could be

It just wouldn't feel right if I didn't have you by my side

You were there for me to love and care for me

When skies were gray

Whenever I was down you were always there to comfort
me

And no one else can be what you have been to me

You will always be, you will always be the girl in my life,
for all times

Chorus :

Mama

Mama you know I love you, you know I love you

Mama, mama you're the Queen of my heart

Your love is like tears from the stars

Mama, I just want you to know

Lovin you is like food to my soul

Verse 2 :

You're always down for me, have always been around
for me even when I was

bad

You showed me right from my wrong, yes you did

And you took up for me when everyone was downing
me

You always did understand

You gave me strength to go on

Verse 3 :

There were so many times looking back when I was so
afraid

Then you'd come to me and say

I could face anything

And no one else can do for me what you've done for
me

You will always be, you will always be the girl in my life

CHORUS

Never gonna go a day without you

Fills me up just thinkin' about you

I'll never go a day without my mama

CHORUS
