Amazing grace, how sweet the sound  
That saved a wretch like me  
I once was lost but now am found  
Was blind but now I see

'T was grace that taught my heart to fear  
And grace, my fears relieved  
How precious did that grace appear  
The hour I first believed

Through many dangers, toils and snares  
We have already come  
'T was grace that brought us safe this far  
And grace will lead us home

When we've been here ten thousand years  
Bright shining as the sun  
We've no less days to sing God's praise  
Than when we've first begun  
Than when we've first begun
