Tonight Iâ€™m gonna hold you  
And Iâ€™m gonna touch you and lay you down  
Tonight Iâ€™m gonna kiss you  
And Iâ€™m gonna taste you all the way down  
Tonight you donâ€™t have to be lonely  
You need only to call me and I will be there

When your body gets weak  
And you need some affection  
Oh baby, Iâ€™ll lay you down  
When your bodyâ€™s in need  
And you need some attention  
Oh lady, Iâ€™ll lay you down  
Iâ€™ll lay you down

Tonight when Iâ€™m inside you  
Iâ€™ll lay down beside you  
And then stay all night long, yes I will  
Tonight I just want you to need me  
Girl I just wanna please me  
So letâ€™s get it on babe, yeah, yeah

Tonight thereâ€™ll be no intermission  
I have only one mission  
Thatâ€™s turning you on

When your body gets weak  
And you need some affection  
Oh baby, Iâ€™ll lay you down  
When your bodyâ€™s in need  
And you need some attention  
Oh lady, Iâ€™ll lay you down  
Iâ€™ll lay you down

Tonight you donâ€™t have to be lonely  
You need only to call me and I will be there

When your body gets weak  
And you need some affection  
Oh baby, Iâ€™ll lay you down  
When your bodyâ€™s in need  
And you need some attention

Oh lady, Iâ€™ll lay you down  
Iâ€™ll lay you  
Iâ€™ll lay you down darling  
Iâ€™ll lay you down  
Iâ€™ll lay you down, yeah, yeah
